II. TERMS & CONDITIONS

1. Proof of Age :

The Premiums have been calculated on the basis of the age(s) of the Life Insured and/or the Policyholder as declared by him/her/them in the proposal form. If at a future date, the age(s) of the Life Insured and/or the Policyholder is/are found to be different from the age(s) declared, without prejudice to the Company's other rights and remedies including those under the Insurance Act, 1938, and any other laws then prevailing, the benefits will be calculated based on:

- the correct age(s) at entry;
- the Premium rates/mortality charges then in force;
- the Premium paid on the policy;
- eligibility criteria

subject to any additional underwriting required, the other terms and conditions of the contract remaining the same.

If this is not possible, the policy shall be cancelled from the date of commencement.

2. Payment of Premiums :

The annual premiums as aforesaid are payable in advance on the anniversary of the date of commencement of the policy. However, with the consent of the Company, the premiums can also be paid by half-yearly, quarterly or monthly installments.

A Grace Period of 30 days from the due date of payment will be allowed for payment of premiums for all modes other than monthly. For monthly mode the grace period would be 15 days from the due date of payment of premiums. Premiums may be revised by the Company to give effect to any changes in the prevailing tax laws or other legislation. In the event of death during the grace period and/or before the payment of the premium then due, and the death claim is admitted, the claim will be settled after deducting the balance of the Premium then due and the balance of the year's premium for cases where the premium is not paid annually in advance.

As a gesture of goodwill, the Company may by way of written intimation remind the Policyholder when the premium is due and payable under this Policy. However, it shall be the sole responsibility of the Policyholder, at all times, to discharge the premium payment obligations.

Likewise it shall not be obligatory on the company to issue any communication to a policyholder conveying that his/her premium paying instrument (including those for any other payments under the policy) has bounced and/or any standing instructions by the policyholder to a bank has not been honoured, thereby resulting in non-payment/non-receipt of the premium(s)/payments under the policy. As mentioned above it shall be the sole responsibility of the policyholder, to ensure that the premiums as mentioned herein (including for any other payments under the policy) are duly and properly discharged.

3. Revival :

In case the premiums for the first three Policy Years are not paid within the Grace Period as mentioned in clause 2 above, the policy together with the rider benefits, shall lapse from the due date of the first unpaid premium.

However, the Policyholder can revive the lapsed policy or a policy in Reduced Paid-Up mode with or without rider benefits, by making an application within a period of two years from the due date of the first unpaid premium and before the date of maturity of the policy.

The policy may be revived on the following terms:

1)	within six months from the due date of the first unpaid premium;	without evidence of good health;	on payment of a) Premiums in arrears, and; b) Interest at such rates as may be prescribed by the Company from time to time on premiums in arrears. Current interest rate is 9%.
2)	after six months but within 2 years from the due date of the first unpaid premium and before the date of maturity of the policy;	on production of evidence of good health and good habits of the Life Insured to the satisfaction of the Company and also the evidence of there being no adverse change in the personal or family history or occupation;	on payment of a) Premiums in arrears, and; b) Interest at such rates as may be prescribed by the company from time to time on premiums in arrears. Current interest rate is 9%.

The Company may, at its absolute discretion, accept or decline the request for revival (made by the policyholder in writing) of a lapsed policy, or accept the request for revival on such terms and conditions as it deems fit. The revival of the policy will be effective after the Company's approval is communicated in writing to the policyholder.

In case the lapsed policy is not revived within the above mentioned period, the same shall stand terminated without paying any benefit. However, if the policy in Reduced Paid-Up mode is not revived during the revival period, it will continue in that mode until maturity.

4. Surrender Value :

On receipt of all the premiums for a period of at least three consecutive years, the policy shall acquire surrender value with effect from the date of the third policy anniversary reckoned from the date of commencement. On completion of three policy years and payment of three annualized premiums the benefits available will be:

Higher of:

- Guaranteed Surrender Value; or
- Special Surrender Value

Guaranteed Surrender Value

The guaranteed minimum surrender value will be Thirty Percent (30%) of all premiums paid to date excluding the first year's premium and any rider premiums. Further, any Assured Annual Income paid to the policyholder shall be deducted from the above amount.

Special Surrender Value

The Company may consider paying a special surrender value which will be higher than Guaranteed Surrender Value.

Such special surrender value will be solely determined by the Company at its discretion, and the same will be quoted in writing by the Company, on receipt of a written request from the policyholder.

On Paid-Up policies the Special Surrender Value, if any, will take into account the consequent benefit reductions (as contemplated in Clause 5).

The Special Surrender Value however is subject to maximum of Basic Sum Assured.

Once the surrender value is paid, all the benefits will cease and the policy will terminate.

5. Reduced Paid-Up Option :

After the premiums have been paid for at least three consecutive years and after completion of three years from date of commencement of the policy, if the policyholder stops paying premiums (and the respective grace period has elapsed) the policy would be converted into a Reduced Paid-Up policy by default.

The Paid-Up Sum Assured would be calculated as:

$$\frac{(\text{Total number of years of premiums paid}-1)}{(\text{Total number of years of premiums payable during the entire policy term}-1)} \times \text{Basic Sum Assured}$$

The maturity benefit payable will be equal to the original maturity benefit multiplied by the Paid-Up Sum Assured divided by the Basic Sum Assured. The Assured Annual Income will be the same percentage as earlier; but it will be applied on the Paid-Up Sum Assured.

On death of the life insured during the policy term, the benefit payable will be the Reduced Paid-Up Death Benefit.

$$\text{Reduced Paid-Up Death Benefit} = \text{Original Death Benefit} * \frac{[(\text{number of years of Premiums paid} - 1) / (\text{total number of years of Premium payable} - 1)]}{1}$$

If a Paid-Up policy is surrendered, the special surrender value (if any) will be based on the Paid-Up Sum Assured. All rider benefits cease when the policy becomes Reduced Paid-Up.

A Paid-Up policy may be revived for the original benefits within 2 years of the date of becoming Paid-Up as mentioned under "Revival" clause.

6. Suicide Exclusion :

If, within one year of the date of issue of this policy, the Life Insured commits suicide, whether being sane or insane at the time of committing suicide, the policy shall be void and all claims under the policy shall cease. In case of suicide, whether being sane or insane at the time of committing suicide, within one year of the date of revival of this policy, only the surrender value as on date of claim event will be payable.

7. Forfeiture of Policy :

The policy will be forfeited if

- any Premium is not duly paid and the policy has not acquired any surrender value as stated above, or
- the lapsed policy has not been revived as provided in clause 3 hereof, or
- applicable surrender value is less than the amount due to the Company for loans, interest or otherwise on the terms stipulated in Clause 8, or
- any condition herein contained or endorsed hereon is contravened, or
- it is found that a statement made
 - in the proposal for insurance, or
 - in any report of a medical officer, or
 - in any other document leading to the issue of the policy.

was inaccurate, or false, or any material matter or fact was suppressed, then, and in every such case (but subject to the provisions of Section 45* of the Insurance Act, 1938) the policy shall be void, and all claims to any benefit under this policy shall cease and all monies that have been paid in consequence of this policy shall belong to the Company, excepting in so far as whatever relief may be granted as per the law.

*[Section 45 states "No policy of life insurance effected before the commencement of this Act shall after the expiry of two years from the date of commencement of this Act and no policy of life insurance effected after the coming into force of this Act shall, after the expiry of two years from the date on which it was effected, be called in question by an insurer on the ground that a statement made in the proposal for insurance or in any report of a medical officer, or referee, or friend of the insured, or in any other document leading to the issue of the policy, was inaccurate or false, unless the insurer shows that such statement was on a material matter or suppressed facts which it was material to disclose and that it was fraudulently made by the policyholder and that the policyholder knew at the time of making it that the statement was false or that it suppressed facts which it was material to disclose: Provided that nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal."]

8. Loans :

Loans may be granted within 80% of the surrender value of the policy specified by the Company from time to time, subject to the following terms and conditions, for such amounts and on such further terms and conditions as the Company may fix from time to time.

- a. The policy shall be assigned absolutely to and kept with the Company as security for the repayment of the loan, interest on the loan and expenses incurred in connection with the loan.
- b. The initial rate of interest will be specified by the Company in respect of each loan when the same is sanctioned. The interest rate on the loan shall be floating. The first payment of the interest will be on the date specified by the Company and every 6 months thereafter. The company may revise the interest rate from time to time subject to IRDA approval.
- c. The Company shall not be bound to accept repayment of the loan unless tendered in full.
- d. In the event of failure to pay interest within one calendar month after each due date or if premiums are discontinued, the policy may be held to be forfeited to the Company, without notice of forfeiture being necessary. The Company shall be entitled to apply the surrender value allowable in respect of the policy to the payment of loan and interest. The balance if any, of such surrender value after the above adjustment, shall be paid to the beneficiary entitled to it.
- e. If the policy becomes a claim by death or maturity and the amount of loan or any portion thereof remains outstanding, the Company shall be entitled to deduct the same together with all interest up to the date of claim from the policy proceeds before settling the claim.

9. Nomination and Assignment :

An assignment of this policy may be made by an endorsement upon the policy itself or by a separate instrument signed in either case by the assignor specifically stating the fact of assignment and duly attested. Such assignment shall be operative as against the Company effective from the date the Company receives a written notice of the Assignment and on confirmation of record of such Assignment. Partial Assignment of policy is not allowed.

In case of lapsation of the policy, fresh Nomination and Assignment will not be allowed. If the policy is already assigned, the status of the policy should be informed to the Assignee.

The Policyholder, where he/she is also the Life Insured, may, at any time before the date of maturity of policy, make or change a nomination for the purpose of payment of the monies secured by the policy in the event of his death. Where the nominee is a minor, the policyholder who is also the Life Insured may appoint a person to receive the money during the minority of the nominee. Nomination shall be made or changed by an endorsement on the policy and by communicating the same in writing to the Company.

By recording the Assignment or registering the nomination or change in Nomination, the Company does not express itself upon the validity nor accepts any responsibility on the Assignment or Nomination.

Endorsing of an Assignment shall cancel any existing Nomination.
