II. TERMS & CONDITIONS

1. Proof of Age

The Premium is calculated on the basis of the age of the life insured as declared by him/her/them in the Proposal Form. If at a future date, the age is found to be different from the age declared, then without prejudice to Company's other rights and remedies including those under the Insurance Act, 1938, and other laws then in prevailing, the Premium will be recalculated and amended based on the correct age at entry subject to the other terms and conditions remaining the same.

If the correct age is found to be understated then the policyholder will be required to pay to the Company the difference between the premium payable as per the correct age and the premium paid, along with such interest as may be charged by the Company. Failing this the Policy shall be forfeited with consequences as mentioned in clause 4 of the Terms and Conditions hereof. In case of overstatement of age no refunds will be made.

If the correct age is such as would have made the life insured ineligible for any of the benefits of this policy, then without prejudice to the Company's other rights and remedies including those under the Insurance Act, 1938, and other laws then in prevailing, the benefits shall be altered to those generally granted by the Company based upon the correct age at entry and subject to any additional underwriting required by the Company. If this is not possible, the Policy shall be forfeited with consequences as mentioned in clause 4 of the Terms and Conditions hereof.

2. Payment of Premium

A single premium is payable in advance before the date of commencement of the policy. The Basic Benefit corresponds to this premium amount.

3. Guaranteed Surrender Value

Simultaneously with payment of the Single Premium as herein specified, this Policy shall attain a Guaranteed Surrender Value, which shall be equivalent to 75% of the Single Premium multiplied by the Term to run over the benefit term, further multiplied by Loan Outstanding as specified in Benefit Schedule as at date of surrender, over the Initial Loan Outstanding.

4. Forfeiture of Policy

The policy will be forfeited if

- any condition herein contained or endorsed hereon is contravened, or
- it is found that a statement made
 - in the proposal for insurance, or
 - in any report of a medical officer, or
 - in any other document leading to the issue of the policy,

was inaccurate, or false, or not made in good faith, or any material matter or fact was suppressed then, and in every such case (but subject to the provisions of Section 45 of the Insurance Act, 1938) - that states "No policy of Life Insurance effected before the commencement of this Act shall after the expiry of two years from the date of commencement of this Act and no policy of Life Insurance effected after the coming into force of this Act shall, after the expiry of two years from the date on which it was effected, be called in question by an insurer on the ground that a statement made in the proposal for insurance or in any report of a medical officer, or referee, or friend of the insured, or in any other document leading to the issue of the policy, was inaccurate or false, unless the insurer shows that such statement was on a material matter or suppressed facts which it was material to disclose and that it was fraudulently made by the policyholder and that the policyholder knew at the time of making it that the statement was false or that it suppressed facts which it was material to disclose :Provided that nothing in this section shall prevent the insurer from calling for proof of age at any time if he is entitled to do so, and no policy shall be deemed to be called in question merely because the terms of the policy are adjusted on subsequent proof that the age of the life insured was incorrectly stated in the proposal" -the policy shall be void, and all claims to any benefit under this policy shall cease and all monies that have been paid in consequence of this policy shall belong to the Company, excepting in so far as whatever relief may be granted as per the law.

5. Loans

Loans are not admissible under the policy.

6. Suicide

The life insured, where he/she/they is/are the holder of the policy, may, at any time before the date of maturity of policy, make or change a nomination for the purpose of payment of the monies secured by the policy in the event of his/her/their death. Where the nominee is a minor, the policyholder who is also the life insured may appoint a person to receive the money during the minority of the nominee.
