The Linked Insurance Products do not offer any liquidity during the first five years of the contract. The policyholder will not be able to surrender or withdraw the monies invested in Linked Insurance Products completely or partially till the end of the fifth year.

Kotak e-Invest Plus

A Non-Participating Unit-Linked Life Insurance Individual Savings Product

You have your goals set in life and are working hard to achieve them. In this journey, it is important that your hard earned money is invested in the right funds at minimal cost. Keeping this in mind, Kotak Life Insurance introduces Kotak e-Invest Plus - a comprehensive Unit Linked Life Insurance Plan that can be customized as per your goals and requirements.

To take care of various needs, we have designed an insurance plan that can be customized to meet your needs- whether it is protection; investment; financial security for child; retirement planning – this is an all in one solution. The plan offers cover to financially support your family in case of your unfortunate demise. As a responsible parent, 'Rising Star' plan option ensures your child's future is not compromised in your absence. Benefits under 'Retire Rich' option ensure your lifestyle is not compromised even after you call it a day at work. These, along with unmatched combination of strategies and flexibilities ensure your goals are achieved no matter what.

Key Advantages

- 100% allocation of your premiums.
- Yearly Additions starting from end of 6th policy year onwards till maturity or death whichever is earlier based on the plan options.
- 25% to 200% of Life Cover charges deducted will be added to your fund value (if applicable).
- Rising Star option offers Triple Protection Benefit on parent's death through lump sum payout, monthly income and policy continuation till maturity.
- Retire Rich Option cover till the age of 99 years.
- Retirement Income along with Income Booster ensures your expenses after Retirement are taken care of.
- Provides flexibility to choose from two Investment Strategies.

Plan Options

I. **Maximizer:**

This option is aimed at maximizing your returns for the money invested.

II. **Rising Star:**

This option is ideal for securing your loved ones' dreams, aspirations and goals. While the money invested will help to maximize your earnings, the earnings are not compromised in case of your unfortunate demise. As death benefit, Basic Sum Assured under the plan is paid as lump sum to your nominee (or the Appointee in case the nominee is a minor) in the Plan. In addition to this, Monthly Income for the remaining policy term (minimum of 36 months and maximum of 120 months) ensures a Regular Income to your family. Furthermore, Company waives off all future

premiums and Policy continues till Maturity. The Yearly Additions will continue to be applicable. At maturity, the corpus will be paid to the Nominee.

III. Retire Rich:

This option covers you till the age of 99 years. You have an option to avail Retirement Income in the form of Systematic Withdrawal any time after the policy anniversary immediately following completion of age of 60 years. Income Booster of additional 0.5% p.a. to the percentage you have already selected for Retirement Income ensures you do not compromise on your lifestyle even after retirement.

Yearly Additions

Starting from end of 6th Policy year, till maturity or death whichever is earlier, 3% of Annual Premium is infused into the Fund at the end of each policy year.

Note:

1. The Yearly Additions shall be added to fund(s) based on the applicable unit price(s), provided all due premiums have been paid in full and the policy is in-force.
2. In case of any alteration done on premium, annual premium effective at the beginning of the policy year is considered for calculation of yearly additions.
3. In case of Rising Star Option, Yearly additions will be infused from end of 6th policy year onwards till the date of maturity irrespective death of life insured provided all the due premiums have been paid till the date of death.

Return of Mortality Charge (ROMC)

For Plan Option – Maximizer

On survival of Life Insured till Maturity, on the maturity date, a percentage of the total amount of Mortality Charges deducted in respect of life cover provided throughout the Policy Term will be added back to the Fund Value based on the Policy Term chosen. The Percentage varies based on the Age at Entry of Life Insured and the Policy Term chosen, as shown below:-

Policy Term	ROMC as % of Sum of mortality charges		
	Age at Entry <= 50 years	Age at Entry 51 - 55 years	Age at Entry > 55 years
10 years	150%	50%	25%
12 years	160%	50%	25%
15 years	175%	50%	25%
20 years	200%	50%	25%

For Retire Rich option

At the end of policy year following 60th birthday of Life Insured, a % of total amount of mortality charges deducted in respect of life cover till then will be added back to the Fund Value. Such percentages vary based on number of years completed as at the end of policy year coinciding or immediately following 60th birthday of Life Insured.

No. of years completed as on date of ROMC infusion	ROMC
10 -11 years	150%
12 -14 years	160%
15 -19 years	175%
20 years & above	200%

ROMC is not applicable under Rising Star plan option.

Note:

- 1) The Benefit is not applicable in case of a Surrendered, Discontinued or Reduced paid up policies. However, the benefit will be payable if all due Premiums under the policy have been paid up to date.
- 2) ROMC Amount will be allocated to the fund(s) in the same proportion of the Fund Value as available on the due date of ROMC.
- 3) ROMC will be excluding any extra mortality charge. Goods and Services Tax & Cess levied on the charges will not be added back. The taxes are subject to changes in tax laws.

Retirement Income and Income Booster

- In order to take care of Retirement needs, Policyholder has an option to receive income any time after the policy anniversary immediately following Life Insured's completion of 60 years of the Life insured.
- Retirement Income is in the form of Systematic Withdrawals and will be expressed as a Percentage of the Fund Value.
- Policyholder needs to choose any percentage ranging from 1% to 12% (in multiples of 1%) and the Frequency of payment - yearly, half-yearly, quarterly or monthly.
- Policyholder has an option to choose the Retirement Income percentage, 30 days prior to start of Retirement Income, by intimating the company.

Note:

1. Retirement Income is a Systematic Withdrawal where no partial withdrawal charges are applicable.
2. Retirement Income will be paid over the remaining Policy Term or till the policyholder terminates the option, subject to

availability of fund and the policy being in force. The Fund Value after payment of Retirement Income instalments should not drop below 105% of the Total Premiums paid till date.

3. Once the Fund Value drops to 105% of Total premiums, the Retirement Income terminates while the policy will still be in force. Policyholder has an option to start the Retirement Income payout again once the Fund Value grows beyond 105% of Total premiums by informing the Company 15 days prior to next policy anniversary.
4. The Retirement Income instalment will be paid by redeeming Units from the funds in the same proportion as the Fund Value in each Fund and will be redeemed at the Unit Price applicable on the date of each Retirement Income instalment.
5. Partial Withdrawals are allowed during the Retirement Income Period also.
6. Policyholder has an option to change the percentage chosen or the frequency of payout anytime during the Policy Term even after start of the Retirement Income payout by informing the Company 15 days prior to next policy anniversary. Once the percentage is changed, the Income booster will again start afresh. However, the Income booster will not be affected by change in Frequency of payout.
7. Policyholder also has an option to exit out of the Retirement Income option as well as to avail the option again during the Policy term. In case of Policyholder wants to opt for Retirement Income again, policyholder will need to intimate the Company 15 days prior to next policy anniversary.
8. Given that the retirement income period starts after the end of lock-in period, the Policyholder will also have the option to withdraw the Fund Value completely as Surrender Benefit any

9. Retirement Income is also applicable for In-force and Reduced Paid Up policies subject to the terms and conditions mentioned above.
10. Applicable charges shall be deducted during this period. Refer point 3 under Terms & Conditions for applicable charges for Reduced Paid-Up policies.

Investment Strategies

2. Age Based Strategy:

Financial requirements keep changing with age and your life stage, hence your investments must be attuned to adapt to your changing needs. This strategy is a unique and personalized strategy that will help you to create an ideal balance between equity and debt, based on your age and risk appetite viz. Aggressive, Moderate and Conservative.

Based on your age and chosen risk appetite, allocation is done between Classic Opportunities Fund and Dynamic Bond Fund. This strategy cannot be opted in the last policy year.

Following is the how the allocation happens between the funds with progress in age under each Risk Appetite:

Aggressive

Age of Life Insured (years)	Classic Opportunities Fund	Dynamic Bond Fund
0-25	80%	20%
26-35	70%	30%
36-45	60%	40%
46-50	50%	50%
51 onwards	40%	60%

Moderate

Age of Life Insured (years)	Classic Opportunities Fund	Dynamic Bond Fund
0-25	70%	30%
26-35	60%	40%
36-45	50%	50%
46-50	40%	60%
51 onwards	30%	70%

Conservative

Age of Life Insured (years)	Classic Opportunities Fund	Dynamic Bond Fund
0-25	60%	40%
26-35	50%	50%
36-45	40%	60%
46-50	30%	70%
51 onwards	20%	80%

In case you wish to change the Risk Appetite during the policy term, you can do so only 4 times in a policy year free of cost through a written request which shall be effective from next month-versary (monthly policy anniversary). Whenever the Risk Appetite is changed, the fund allocation as per the opted Risk Appetite chosen will continue till 1 policy year before maturity unless changed.

In case of Rising Start option:

Upon death of Life Insured during the policy term the age based strategy will be converted to self-managed strategy by default. The confirmation on the funds to be invested in to be provided by the Nominee/Appointee (in case nominee is a minor).

Monthly rebalancing:

On a monthly basis, units shall be rebalanced as necessary to achieve the above proportions of the Fund Value in the identified funds. The rebalancing of units shall be done on the month-versary (monthly policy anniversary). The above proportions shall apply until the last 12 Policy months are remaining.

Safety on maturity:

As the Policy approaches the Maturity date, to ensure that short-term market volatility does not affect the accumulated savings, the total corpus will be transferred from the above funds to the Money Market Fund during last 12 Policy months in the manner as mentioned below:

Policy Month	1	2	3	4	5	6	7	8	9	10	11	12
Proportion of units transferred	1/12	1/11	1/10	1/9	1/8	1/7	1/6	1/5	1/4	1/3	1/2	1/1

The Policyholder shall also have the option to switch to Self-Managed Strategy.

Maturity Benefit

For Plan Options: Maximizer / Retire Rich

- There is a Grace Period of 30 days for the annual, half-yearly and quarterly mode and 15 days for the monthly mode from the due date for payment of premium.
- The policy will be in-force during the Grace Period.

2. Partial Withdrawals

- Partial withdrawal will be allowed only if the Life insured is a major
- Partial Withdrawals will be allowed after completion of lock-in period of five policy years and provided five full years' premiums have been paid.
- Minimum amount for partial withdrawal is ₹ 5,000.
- Partial Withdrawals should be in multiples of ₹ 1,000.
- The minimum amount required to be maintained in the Fund after Partial Withdrawal is equal to 105% of the total premiums paid till the date of Partial Withdrawal.
- Partial Withdrawals that result in Fund Value being less than 105% of the total premiums paid till the date of Partial Withdrawal will not be allowed. However, if the Fund Value (after Partial Withdrawal) falls below 105% of the total premiums paid till the date of Partial Withdrawal, either because of a charge or due to a fall in NAV, the policy will continue till Fund Value remains positive.

- Partial Withdrawals (including Retirement Income applicable under Retire Rich option) will have the following effect on the Basic Sum Assured. Basic Sum Assured payable on death is reduced to the extent of applicable Partial Withdrawals (including Retirement Income) made from the Fund Value during the two years period preceding the date of death of the Life Insured. Further, 105% of the total Premiums paid shall be reduced by the Partial Withdrawal (including Retirement Income) made during the 2 (two) years period immediately preceding the death of the Life Insured.
- The partial withdrawal (includes Retirement Income as well) made from the Fund Value during the two year period immediately preceding the date of death of the life insured shall be referred as Applicable Partial Withdrawal.
- Partial withdrawal will not be allowed during Discontinuance state and Settlement period.
- Partial withdrawals shall be allowed when policy is in Reduced Paid Up status.
- The partial withdrawals leading to termination of the policy shall not be allowed.

3. Discontinuance and Revival

A.1 Discontinuance of the policy during lock-in period:

- a) Upon expiry of the grace period, in case of discontinuance of policy due to non-payment of premium, the fund value after deducting the applicable discontinuance charges, shall be credited to the discontinuance policy fund and the risk cover and rider cover, if any, shall cease. This amount will earn minimum guaranteed interest as specified by IRDAI till the end of Lock-in Period or Revival period as applicable.

- b) Such discontinuance charges shall not exceed the charges, stipulated in Regulation 2 (A)(vi)(c)(V) of Schedule-I of Insurance Regulatory and Development Authority of India (Insurance Products) Regulations, 2024. All such discontinued policies shall be provided a revival period of three years from date of first unpaid premium. On such discontinuance, Insurer shall communicate the status of the policy, within three months of the first unpaid premium, to the policyholder and provide the option to revive the policy within the revival period of three years.
- i) In case the policyholder opts to revive but does not revive the policy during the revival period, the proceeds of the discontinued policy fund shall be paid to the policyholder at the end of the revival period or lock-in period whichever is later. In respect of revival period ending after lock-in period, the policy's fund value will remain in Discontinued Policy fund till the end of Revival period and the proceeds of the Discontinued Policy Fund will be payable at the end of Revival period. The Fund management charges of discontinued fund will be applicable during this period and no other charges will be applied.
- ii) In case the policyholder does not exercise the option as set out above, the policy shall continue without any risk cover and rider cover, if any, and the policy fund shall remain invested in the Discontinued Policy fund. At the end of the lock-in period, the proceeds of the Discontinued Policy fund

shall be paid to the policyholder and the policy shall terminate.

- iii) However, the policyholder has an option to surrender the policy anytime and proceeds of the discontinued policy shall be payable to the policyholder at either; (i) the end of Lock-in Period if Surrender is within Lock-in period; or (ii) date of Surrender if the Policy is surrendered while the Policy is within the Revival period and has crossed the Lock-in period, whichever is applicable

A.2 Revival of a Discontinued Policy during lock-in Period:

- a) Where the policyholder revives the policy, the policy shall be revived restoring the risk cover, along with the investments made in the segregated funds as chosen by the policyholder, out of the discontinued fund, less the applicable charges as given in Section – IV Part C para 40.1.4 of Master Circular on Life Insurance Products dated 12th June, 2024, issued pursuant to Insurance Regulatory and Development Authority of India (Insurance Products) Regulations, 2024 in accordance with the terms and conditions of the policy.
- b) The insurer, at the time of revival:
- i) Shall collect all due and unpaid premiums without charging any interest or fee.
 - ii) Shall levy policy administration charge and premium allocation charge as applicable during the discontinuance period. Guarantee charges, if applicable during the discontinuance period, may be deducted provided the guarantee continues to be applicable. No other charges shall be levied.
 - iii) Shall add back to the fund, the discontinuance charges deducted at the time of discontinuance of the policy.

A.3 Segregated Discontinued Policy Fund:

- a) The discontinued policy fund shall be a segregated unit fund.
- b) The fund management charge on discontinued policy fund shall be declared by the Authority from time to time. Currently, the fund management charge shall not exceed 50 basis points per annum.

A.4 Minimum Guaranteed Interest Rate:

- a) The minimum guaranteed interest rate applicable to the discontinued fund shall be declared by the Authority from time to time. The current minimum guaranteed interest rate applicable to the discontinued fund is 4% per annum.
- b) The excess income earned in the discontinued fund over and above the minimum guaranteed interest rate shall also be apportioned to the discontinued policy fund in arriving at the proceeds of the discontinued policies and shall not be made available to the shareholders.

Notes for Discontinuance of the policy during lock-in period:

- i. Facilities such as fund switches, switching between strategies and Partial Withdrawals will not be allowed during the discontinuance period.
- ii. Investment Strategies will not be available if the policy is in the Discontinuance.
- iii. Yearly Additions will not be credited during Discontinuance period where policy was discontinued during lock-in period. However, on revival Yearly Additions applicable (if any) during the Discontinuance period will be credited.
- iv. Revival will be subject to Board approved Underwriting Policy.
- v. On discontinuance revival, the rider cover (if any) will be reinstated.

- vi. "Proceeds of the discontinued policies" means the fund value as on the date the policy was discontinued, after addition of interest computed at the interest rate stipulated in clause 2(A)(viii) of Schedule-I of IRDAI (Insurance Products) Regulations 2024 and para 40.1.5 of the master circular on life insurance products dated 12th June 2024, issued pursuant to the Insurance Regulatory and Development Authority of India (Insurance Products) Regulations, 2024.

A.5 Discontinuance of Policy after the lock-in-Period:

- a) Upon expiry of the grace period, in case of discontinuance of policy due to non-payment of premium after lock-in period, the policy shall be converted into a Reduced Paid Up policy with the Reduced Paid Up Basic sum assured i.e. Basic sum assured multiplied by the total number of premiums paid to the original number of premiums payable as per the terms and conditions of the policy. The policy shall continue to be in Reduced Paid Up status without rider cover, if any. All charges as per terms and conditions of the policy may be deducted during the revival period. However, the mortality charges shall be deducted based on the Reduced Paid Up Basic sum assured only.
- b) On such discontinuance, Insurer shall communicate the status of the policy, within three months of the first unpaid premium, to the policyholder and provide the following options:
 - i. To revive the policy within the revival period of three years,
 - or
 - ii. Complete withdrawal of the policy.
- c) In case the policyholder opts for (1) i.e. revive the policy within revival period of 3 years but does not revive the policy during the revival period, the fund value shall be paid to the policyholder at the end of the revival period and the Policy shall

thereafter terminate.

- d) In case the policyholder does not exercise any option as set out above, the policy shall continue to be in Reduced Paid Up status. At the end of the revival period the proceeds of the policy fund shall be paid to the policyholder and the policy shall terminate.
- e) In case the Date of Maturity falls within the Revival period; the Fund Value shall be payable as on the Date of Maturity. Yearly Additions shall not be payable for Discontinued Policies.
- f) However, the policyholder has an option to surrender the policy anytime and proceeds of the policy fund shall be payable.

A.6 Revival of a discontinued Policy after lock-in Period

- 1) The policyholder can revive the policy, in accordance with Section – IV Part – C para 40.1.7 of the Master Circular on Life Insurance Products dated 12th June, 2024, issued pursuant to the Insurance Regulatory and Development Authority of India (Insurance Products) Regulations, 2024. Where the policyholder revives the policy, the policy shall be revived restoring the original risk cover in accordance with the terms and conditions of the policy.
- 2) The insurer, at the time of revival:
 - a) Shall collect all due and unpaid premiums under base plan without charging any interest or fee. The rider (if any) may also be revived at the option of the policyholders.
 - b) Shall levy premium allocation charge as applicable. The guarantee charges may be deducted, if guarantee continues to be applicable.
 - c) No other charges shall be levied.

Notes for Discontinuance of Policy after the lock-in-Period:

- i. Facilities such as fund switches, switching between strategies, partial withdrawal will be available during Reduced Paid Up status
- ii. Investment Strategies will be available if the policy is in Reduced Paid Up status.
- iii. Yearly Additions & ROMC will not be credited during Reduced Paid Up Status, on revival both Yearly Additions & ROMC applicable (if any) during the Reduced Paid Up period will be credited.
- iv. Revival will be subject to Board approved Underwriting Policy.
- v. On Reduced Paid-Up revival, the rider cover (if any) will be reinstated.
- vi. No guarantee charges are applicable under this product.

4. Death Benefit in Reduced Paid Up Status

Under Reduced Paid Up status, on death of life insured, following benefit is paid for **all plan options except Rising Star:-**

- Higher of:
 - o Reduced Paid Up Basic Sum Assured less applicable partial withdrawal amount* (if any), or
 - o Fund value inclusive of Yearly Additions, if any or
 - o 105% of the Total premiums paid till date of death less applicable partial withdrawal amount*

The above mentioned Death Benefit shall be payable as lumpsum and the Policy shall terminate thereafter.

For Rising Star:-

- Higher of:
 - o Reduced Paid Up Basic Sum Assured less applicable partial withdrawal amount* (if any) or

- o 105% of the total premiums paid till date of death less applicable partial withdrawal amount* is paid as lump sum

PLUS

PLUS

- o Fund value

The policy shall terminate after payment of death benefit.

~Reduced Regular Monthly Income:

1% of Reduced Sum Assured is payable monthly to the policyholder, starting from the next month following the lump sum benefit payout, for 36 installments.

*for details on Partial Withdrawal, please refer to section on Partial Withdrawals.

5. Discontinued Policy Fund

In case of discontinuance during first five policy years, funds will be transferred to Discontinued Policy Fund. The details of the Fund are as follows:

Discontinued Policy Fund	Investment Objective	Risk- Return Profile	Investment Pattern
Discontinued Policy Fund (ULIF-050-23/03/11-DISPOLFND-107)	Aims to provide secure returns to policies in the discontinued state, by investing in low-risk debt instruments.	Secure	Money market: 0% - 40%; Gov. Securities: 60%-100%

The asset categories under the discontinued policy fund may vary in future in line with relevant IRDAI Regulations / Circulars.

6. Settlement Option

Through Settlement Option, Policyholder will have the option of taking maturity proceeds either as lump sum or through pre-selected periodic instalments (yearly, half-yearly and quarterly only) and this should be intimated to the company within 3 months prior to the date of maturity. The first instalment under Settlement Option shall be payable on the date of maturity. The Settlement Options available are:

- 1) 50% of the maturity proceeds as a lump sum and balance 50% as periodic instalments OR
- 2) Whole of the maturity proceeds as equated periodic instalments.
 - i. The instalments can be taken over a maximum period of 5 years called the Settlement period.
 - ii. In case of non-annual modes, the yearly instalments for each year shall be further divided equally as per mode chosen
 - Life Insured should specify mode of the periodic instalments, i.e. quarterly / half – yearly / yearly at the point of pre-settlement notification. In case of option 1 above, after the payment of lump sum amount, 20% of the balance amount shall be payable each year (i.e. 10% of the Maturity Benefit) over a period of 5 years.
 - In case of option 2 above, the yearly instalments i.e. 20% of Maturity Benefit will be payable over a period of five years.
 - In case of non-annual modes, the yearly instalments for each year shall be further divided equally as per mode chosen.

- iii. Choice of funds, as available under the Self-Managed Strategy, in which maturity proceeds are to be maintained during the Settlement period also needs to be communicated to the Company at the point of pre-settlement notification. Available funds under the plan only can be used for this.
- iv. On selecting the Settlement Option, the number of units to be liquidated to meet each payment shall depend on the respective fund NAVs as on the date of each payment. First instalment shall be paid on the date of maturity along with the lump sum if any.
- v. During the settlement period, the investment risk in the investment portfolio is borne by the Policyholder or Life Insured. Thus there is a possibility that the Fund Value can grow or deplete during the Settlement period and the return/risk of such movement will be borne by the Policyholder or Life Insured. Accordingly the Total Benefit payable under the product may vary i.e. the instalment amount payable may be higher or lower than instalment calculated initially.
- vi. Switching between the funds will be allowed during the Settlement Period and the first 12 switches in the Settlement Period are free. Switching Charges will be applicable from the 13th switch done during the Settlement Period.
- vii. Partial Withdrawals will not be allowed during the Settlement Period.
- viii. In case of death of life insured during Settlement period, higher of 105% of total premiums paid or balance Fund

Value shall be paid immediately in lump sum and the policy ceases. No other benefit is provided during Settlement Period. Accordingly, mortality charges will be deducted.

- ix. At the end of Settlement Period, on survival of the life insured, the balance of Fund Value, if any will be paid out as one lump sum and the policy will cease thereafter.
- x. Fund Management Charges (FMC), switching charges and the applicable taxes (currently Goods and services tax and cess, as applicable) will be recovered by adjustments to the NAVs of the funds invested in or through deduction of units from the funds. Mortality charge will be also be levied during Settlement Period based on the Sum At Risk. Other charges will not be applicable.
- xi. If the Policyholder requests for pre-closure or the Fund Value is insufficient (due to volatility in the Market or due to charges) to pay the desired amount of instalment, then the balance Fund Value will be payable without levying any charge and the policy will be terminated without levying any other charges.
- xii. In case the Policyholder and the Life Insured are different the above options shall be exercised by the Life Insured.
- xiii. There is an option of complete withdrawal at any time during the settlement period without levying any charge.
- xiv. This option is not available under Rising Star and Retire Rich.

7. Policy Loans

Loans are not available under this plan.

8. Maximum Charge Level

We reserve the right to change the level of charges, which shall be done with prior IRDAI approval; subject to a maximum limits specified by IRDAI.

9. Nomination & Assignment

Nomination will be allowed under the plan as per Section 39 of the Insurance Act, 1938 as amended from time to time.

Assignment is allowed in this plan as per Section 38 of the Insurance Act, 1938 as amended from time to time.

10. Free Look Period

The Policyholder is offered a 30 days' free look period to review the terms and conditions of the Policy (except for policies having a policy term of less than a year) beginning from the date of receiving the Policy Document in electronic form. In case the Policyholder is not agreeable to any terms and conditions of the Policy or otherwise; then subject to no claims having been made hereunder, the Policyholder may choose to return the Policy to the Insurer for cancellation, stating the reasons thereof within the aforesaid free look period.

Should the Policyholder choose to return the Policy, the Policyholder shall be entitled to a refund of the Fund Value on the date of cancellation plus the non-allocated premium (if any) plus any charges levied by cancellation of Units; after deducting the proportionate risk Premium for the period of cover, stamp duty charges and expenses of medical

examination (if any). A Policy once returned shall not be revived, reinstated or restored at any point of time and a new proposal will have to be made for a new Policy. Where Rider(s) are available under the base Policy and so opted by the Policyholder, the same would also stand cancelled when the free look provision of the base Policy is exercised.

11. Suicide Exclusion

In case of death of the Life Insured due to suicide within 12 months from the date of commencement of the policy as applicable, the nominee or the beneficiary of the policyholder shall be entitled to the fund value, as available on the date of intimation of death, provided the policy is in-force.

In the event of death of the Life Insured due to suicide within 12 months from the date of revival of the policy, when the revival is done within 6 months from the date of discontinuance, Suicide Exclusion shall not be applicable and the Death Benefit under the product shall be payable, provided the policy is in-force.

However, in case of death of the Life Insured due to suicide within 12 months from the date of revival, when the revival is done after 6 months from the date of discontinuance, only the fund value as on the date of intimation of death is payable to the nominee or beneficiary of the Policyholder; provided the Policy is in force. Further, any charges other than Fund Management Charges (FMC) and guarantee charges recovered subsequent to the date of death shall be added back to the Fund Value as available on date of intimation of death.

12. Fund NAV's

NAV of a fund is calculated and published in financial newspapers on each business day. Net Asset Value (NAV) of a Unit Linked Fund shall be calculated as follows:

Net Asset Value (NAV) = "(Market Value of Investments held by the fund + Value of Any Current Assets - Value of any Current Liabilities & Provisions, if any) divided by the number of units existing at valuation date (before creation / redemption of any units)"

- In respect of funds switched or premiums received by the insurer along with a local cheque or a demand draft payable at par at the place where the premium is received, up to 3.00 p.m., the closing NAV of the day on which premium is received shall be applicable.
- In respect of funds switched or premiums received by the insurer along with a local cheque or a demand draft payable at par at the place where the premium is received, after 3 p.m., the closing NAV of the next business day shall be applicable.
- In respect of premiums received with outstation cheques/demand drafts at the place where the premium is received, the closing NAV of the day on which cheques/demand draft is realized shall be applicable.
- Having regard to the above, insurer shall ensure that each and every payment instrument is banked with utmost expedition at the first opportunity, given the constraints of banking hours, prudently utilizing every available banking facility (e.g. high value clearing, account transfer etc.) Any

loss in NAV incurred on account of delays, shall be made good by the insurer.

- Separate fund allocations must be stipulated.
- NAV's are available on the website for reference.

13. Availability of Unit Statement & Annual Statement :

The policyholder may check the Unit Statement in D02 format available on the Online Policy Manager (OPM) using the prescribed link: <https://care.kotaklifeinsurance.com/>. In order to view the Unit Statement, the Policyholder has to register on Online Policy Manager to generate the Login ID and Password. The annual statement would also be shared with the policyholders at policy anniversary.

14. Goods and Services Tax and Cess:

Goods and Services Tax and Cess, as applicable shall be levied on all applicable charges as per the prevailing tax laws and/or any other laws. In case of any statutory levies, cess, duties etc., as may be levied by the Government of India from time to time, the Company reserves its right to recover such statutory charges from the policyholder(s) by deduction from the Fund Value.
