

## **Simplified claim settlement process for families affected by cyclone Michaung**

Kindly accept our condolences for your loss. In this time of grief, we're simplifying steps for you to file a claim with us. Affected families can file a claim with minimal documentation as listed below:

1. Government published list of people who have died [in case the death certificate is not available]
2. KYC of the nominee
3. Cancelled cheque

In order to file a claim, you may visit at the link [https://customer.kotaklifeinsurance.com/OCM/cp\\_FileClaim](https://customer.kotaklifeinsurance.com/OCM/cp_FileClaim) or kindly reach out to our Claims Mitra at [kli.claimsmitra@kotak.com](mailto:kli.claimsmitra@kotak.com)

You can also reach out to our Nodal Officer based out of Chennai Mr. Azad MD at [m.azad@kotak.com](mailto:m.azad@kotak.com) for any more details, if required.

Warm regards,
